Homework Expectations

Following on from the reading letter from Mrs Silvester, reading is such an important life skill and reading for pleasure is one of the biggest indicators of success in later life. In light of this, we have streamlined our homework expectations across school to allow more time for home reading. The changes also ensure that homework across school is consistent, manageable and effective.

Every Friday your child will be set the following:

*A spelling activity

*TT

Rockstars/Numbots

*Reading

Spelling and TTRockstars homework will be electronic. Children use their logins in school and are familiar with accessing this. Should you have trouble logging on, please let your class adults know as soon as possible.

Please aim to read where possible, 5 x per week. Please ensure reading records are in school daily.

In addition to this, if we notice anything further that children need to work on, we may supplement this homework with additional tasks, keeping in mind pressures on family life.

All of these tasks really do support the children in their learning in school.

Homework should be completed by the following Thursday. Please remember topic homework is always welcomed for your class, your individual class teachers will be able to outline some ideas and expectations for you..

We thank you so much in advance for your support. If you have any questions please come and speak to your class teacher.

Yours sincerely,

Mrs R Osgodby
